THEME –

Indonesia's Maritime Concept: Intent, Implications and Cooperation.

AusCSCAP has invited three eminent Indonesian specialists to join the debate-

- **Pak Jusuf Wanandi**, co-founder of the Centre for Strategic and International Studies (CSIS) in Jakarta, Chair of CSCAP Indonesia, Vice-chair of the Indonesian National Committee for the Pacific Economic Cooperation Council, publisher of the Jakarta Daily, and adviser to the President on international issues;
- **Dr Philips Vermonte**, Director General of CSIS; and
- **Dr Vidhyandika Perkasa**, Head Politics and International Relations, CSIS.

AusCSCAP meetings do not involve set-piece presentations or papers, preferring instead an informal, open and collegiate exchange of ideas under Chatham House rules. We do identify lead-in topics and speakers to spend a couple of minutes to introduce specific subjects and encourage open debate around the sub-theme topics. (See agenda below)
